Business Meeting

- Chairperson was managing the disciplines required of Treasurer and Secretary in the interim leading up to new appointments
 - Prior to next meeting Dr. Buch will provide details of information for hand over including a Planner.
-

General Discussion

- Muriel provided an insight of the Orange Grove Road area from the perspective of her family business located in that area and observation of the progress that followed.
- Margaret noted that the building that houses the Sunnybank Theatre in Main Rd Sunnybank was originally the worship place of Sunnybank Uniting Church, the latter relocated to Lynelle Street Sunnybank Hills. Research is underway to establish the dates in question.
- Margaret recalled the two lane Altandi Railway Overpass as being two lanes of wooden construction. Qld Rail electrification programme along with increased volume of traffic effected the changes now on display.

- Lyn recalled the area that now extends from Sunnybank Plaza and QE2 Stadium on Mains Road was farming area for market gardening and well-renown for custard apples. She was a frequent visitor with her parents to visit relatives on a farm there. She is keen to research where those relatives resided relative to the new housing areas. It will be work in progress.
